2018 Future Workforce Conference

EMORY

GOIZUETA
BUSINESS
SCHOOL

The 2018 Future Workforce Conference aims **to bridge the gap between K12 education and the local business community**

De-Siloing K12 Education and Business

GOALS

Connect K12 educators with industry professionals to further align education to future workforce needs

Promote inclusivity and equity in education and tech

Support innovative educational programs building skills for the future workforce

Explore existing industry-education partnerships

Establish new partnerships across the workforce-education gap

OUTCOMES

Every industry professional leaves having:

- **Immediately supported K12 education and inclusivity**
- **Actionable steps** to support the development of the future workforce
- **Rewarding volunteer opportunities** in and out of K12 schools
- **Mentorship and professional development opportunities** that build leadership skills
- **Demonstrated commitment** to a diverse and representative tech sector

Find Out More

When: Thursday-Friday, June 14-15,
1:00-6:00pm

Where: Emory University's Goizueta
