

ATLANTA SUMMARY

100,000 Opportunities Atlanta Launch Summary

Overall Opportunity Fair Launch Event Impact:

- **Over 6300 Atlanta youth registered** for ongoing employment support and opportunities
- **Over 2600 youth attended** the Opportunity Fair on May 3
- Over 1700 interviews completed, resulting in **over 600 on the spot job offers** and an additional **500+ next-step/follow-on interviews**
- Atlanta Fair Video: <https://www.youtube.com/watch?v=DLL7MaAlPtw>

Employers:

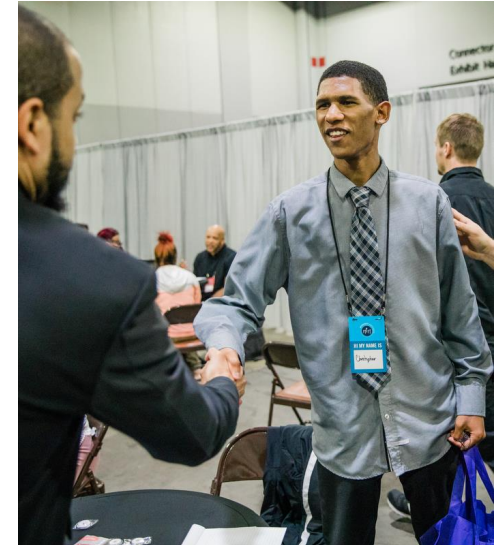

- **42 companies participated:** 22 coalition companies, 7 new large companies, and 13 local Atlanta based companies

Community Organizations:

- **Over 100 community organizations** supported the event with youth outreach and training
- **Over 30 service providers** at the fair connected attendees to resources and wraparound services
- The youth preparation from these events resulting in some of the most prepared candidates

100,000 long term investment in Atlanta:

- We continue to focus on retention and expanding the employment outreach of 100,000 Opportunities Initiative through the **backbone organization: Metro Atlanta Chamber**
- A key innovation at this Opportunity Fair was the added **mentoring support** for attendees through MENTOR: the National Mentoring Partnership
- The young adults were provided a **resource card** as they exited that directed attendees to additional training resources at www.JobLaunch.org to help them prepare for the next job opportunity

Atlanta Community Partners and Service Providers

The 100,000 Opportunities Initiative will continue building on the Opportunity Fair connections and services through collaboration with the **Metro Atlanta Chamber**. Critical collaborations will also continue with key planning partners

**Backbone
Organization:**
