WORKSOURCE GEORGIA ACADEMY

August 13-15, 2018

Classic Center 300 N Thomas St Athens, GA 30601

The Technical College System of Georgia's Office of Workforce Development is pleased to host the 2018 WorkSource Georgia Academy. This three-day event will bring together partners of the workforce system to explore new strategies and perfect existing methods for delivering superior services to Georgians. Subjects include: one-stop center management and performance, local and state board engagement, case management, and showcasing of best practices.

Visit WorkSourceGeorgiaAcademy.com for more information.
