

UPS Hiring Package Handlers

UPS Part-Time Package Handlers play a crucial role in the success of UPS in a warehouse environment, whether they're sorting packages, loading trucks or unloading trucks. No matter your role, you'll work closely with your team to ensure all the work behind the scenes is done safely and successfully. As a result, you're ensuring our customers receive their packages on time, directly impacting the bottom line on a global scale.

IF you are interested in starting your career with an AWESOME company then please register to attend the UPS COMMUNITY RECRUITMENT EVENT by doing the following:
