## What We Do?

Bobby Dodd Institute (BDI) empowers people with differing abilities to maximize their potential by securing economic self-sufficiency, independence and inclusion within their communities. BDI has three, convenient locations to best serve the Greater Atlanta community.

BDI teaches you how to become a leader, how to be calm under stress, and how to set goals for yourself that you can reach.

Wanda Snelling  
Former BDI Participant

**Connect with BDI today and discover new ways to grow and illuminate your abilities!**
