

# VIRTUAL JOB FAIR

The collaborative workforce efforts of the Forsyth County Chamber and the Greater North Fulton Chamber seek to connect industry with potential labor forces via a series of virtual hiring events. Representatives from local businesses will briefly discuss open positions, qualifications, and how to apply. Attendees will also be able to participate in a break out session with an employer to ask questions about their company and specific opportunities.

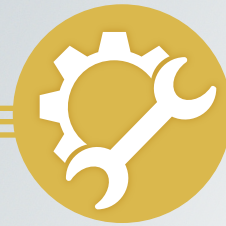

There is no cost for job seekers or employers to participate.

Employers interested in showcasing their opportunities can contact Beth Harris at [bharris@foco chamber.org](mailto:bharris@foco chamber.org).

Job seekers can register to attend by visiting [foco chamber.org](http://foco chamber.org).

**Retail**  
**May 8**  
10am - 2pm

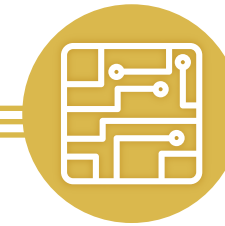

**Manufacturing**  
**May 15**  
12pm - 2pm
