

Flexibility. Agility. Career Mobility.

NPSG Global is hiring nationwide for great people to join our team of installation technicians and crew leads who are:

- At least 18yo
- Energetic and goal-oriented
- Flexible
- Coachable and trainable
- Safety-minded
- Able to lift up to 50 pounds repeatedly through the day
- Able to walk, stand, crouch, and bend for up to 12 hours/day
- Willing to travel on assignment for up to 6 months at a time.

***Traveling technicians
start at \$18/hour with
significant opportunity for overtime!***

If this sounds like you or someone you know, apply online or come out and meet for immediate consideration and hire!

**June 18th
8am- 730pm
DoubleTree by Hilton
3400 Norman Berry Drive, Atlanta, GA 30344**

Please wear a mask and bring employment identification. Candidates will be asked to submit to and pass a criminal background check and MVR prior to assignment.

Installation technicians with NPSG Global provide a wide range of installation and assembly services to some of the world's largest companies. We work in construction and warehouse environments assembling and installing workstations and shelving, hanging signage, installing computers and peripherals, and any other activities that make our customers' facilities operational.
