

ACE

| ASPIRING COMMUNITY ENTREPRENEURS |

Training

A six-week boot camp that introduces essential business tools and features monthly training forums on specialty topics.

Mentoring

Seasoned local business professionals provide guidance, advice and serve as a sounding board to emerging entrepreneurs.

Consulting

Work with KSU students to build websites, bookkeeping systems, marketing materials and more.

ATTENTION ENTREPRENEURS!

The Aspiring Community Entrepreneurs Program seeks to help disadvantaged Metro Atlanta residents improve their lives by launching and growing their own businesses. ACE is a partnership between Notre Dame University, the Kennesaw State University Michael J. Coles College of Business and MUST Ministries, who have joined forces to provide entrepreneurs with the skills and resources to improve their financial conditions.
