

AI Discovery Days: Engaging with AI at your pace and on your terms

Welcome to the Ultimate AI Experience

Whether you're tech-curious or an aspiring innovator, the AI Discovery Lounge is your playground. Here, we demystify artificial intelligence, making it accessible, understandable, and interactive. It's AI on your terms, at your pace.

Learn.

Explore.

Create.

Embrace the AI Revolution

- **AI Introductory Zone.** Learn the AI basics through fun, engaging experiences and chat prompts.
- **Tech Trial Stations.** Experience AI in action, from chatbots to smart algorithms that predict music and images that are created simply with your imagination.
- **Advance** your knowledge with AI powered job search strategies, resume assistance and interview prep.
- **Engage** with experts and fellow tech enthusiasts in vibrant discussions.
- **Self -Guided Learning Modules.** Progress through AI learning modules on LinkedIn learning tailored to your own pace and understanding.
