THE KNOWLEDGE HOUSE

Tech Empowerment Day

ATLANTA

Presented by The Knowledge House in Partnership with Inspiredu

Join us for the 2026 Tech Empowerment Day: a one-day gathering of innovators, leaders, and learners advancing digital equity across Georgia and beyond.

Date & Location

Wednesday, November 18th, 2026
9:00 AM - 5:00 PM

Inspiredu - 1550 Southland Cir NW #200, Atlanta, GA 30318

This summit offers hands-on workshops for practical digital skills you can apply right away, like **cybersecurity and practical A.I. skills -** and it's **free!**

You'll also network with professionals and peers, hear from guest speakers, and get exclusive access to an in-person **info session for the 2027 Innovation Fellowship**, a free 7-month job training program. The Digital Learner track at the event is ideal for young professionals and career changers **interested in building tech skills** for the workplace and beyond.

Attendees Will Receive

- Hands-on workshops in tech skills for the workplace.
- Community-building opportunities.
- Interactive panels and Q&A sessions.
- In-person info session for the 2027 Innovation Fellowship.
- Computers to use during the event.

Who Should Attend?

- Be a resident of **Atlanta**
- Be available for the full day of the event
- Be proficient in written and spoken English
- Be interested in building your digital skills for work, life, or career growth
- Be Age 18 or older
- Have beginner-level tech skills
